Anyhow.

Anytime.

It's up to you! You can call in the morning, you can call in the evening, you can even call while waiting for your bus. You can call whenever you have a few minutes.

The hotline is always open, always available!

Anywhere.

Our hotline is available worldwide. Whether you're in New York or Australia, you can participate in the Mishna Rishona program and learn Mishnayos.

Visiting your grandparents in Florida, your grandmother in Eretz Yisroel, or your cousins in Wyoming doesn't have to hold you back from learning Mishnayos or your progress toward your goals.

Anyhow.

The choice of what to learn is up to you! Pick the Masechta, Perek, and Mishna. Learn a new Mishna or review what you've learned already. You can add or change your Mishna selection whenever you'd like. Most of the Mishnayos take approximately 5-7 minutes. If you need to stop in the middle, just bookmark it and continue where you left off when you are ready. You can also come back to the review questions on that Perek at a later time.

How do you Begin Learning?

SIGN UP

Speak to your parents about Mishna Rishona, and when you're ready to sign up, ask them to send an email to mishnarishona@agudah.org with the subject line "Register." From there, just follow the instructions in the automatic reply.

Alternatively, your parents can text the word "Mishna" to 929.930.6400 and then follow the prompts.

For those who do not have email access

or text messaging, please call the Pirchei National Office at 212.797.9000 ext. 274 and ask to register for Mishna Rishona.

You may use the system features by calling the member hotline and creating your personalized PIN number. However, in order to receive the special welcome packet and to earn prizes for your learning, you must complete the registration process in one of the methods listed above.

SET UP A PIN

When you complete your registration, you will be assigned a PIN number. Your personal PIN number will let you access your account from any phone.

The first time you call into the system you will be offered the option to pair your phone number with your PIN number.

Doing so will bypass the need for entering your PIN each time you call in from that phone number.

If there will be multiple siblings calling in from the same phone number, be sure not to pair your PIN number to be automatically recognized.

LEARN

Call the member hotline 929.299.6700 and start your learning today. Enter your personalized PIN number and follow the

prompts to choose the specific Seder, Masechta and Mishna you would like to learn.

SET PERSONAL GOALS

Make a Siyum for your Bar Mitzvah or complete a Masechta— you have the option to set personal goals for yourself. Each time

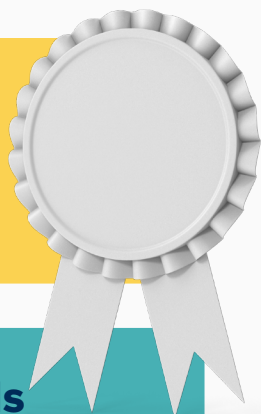

you call in, you can track your progress to ensure you will reach your goal by selecting option #6 for Program Selection.

YOUR PERSONALIZED REBBE

When you are done listening to a Mishna you will be offered the option to review your last Mishna, continue along to the next Mishna, choose to learn a different Mishna,

or test your understanding by answering the review questions. You can also bookmark the Mishna for future review and return to the main menu.

REVIEW and REWARDS

Review Questions

Upon completing a Perek through the system, you'll have the option to be tested and score points. Additionally, you can access this feature by selecting option #4 from the Main Menu.

There is one question per Mishna in each Perek, and answers are multiple choice, entered using the phone keypad.

You will receive your test score immediately upon completing the test, and points are awarded as follows:

1. One point per question answered correctly.
2. If you score over an 85% on your first test attempt, you will earn double points.

Rewards

For every Mishna you learn, you will receive one point. As you learn through Masechtos of Mishnayos and accumulate points, look out for some great rewards and surprises along the way.

Additionally, for each point you earn you will receive one weekly raffle ticket. Drawings are performed by computer and held each Sunday at 5 PM. You can win a \$25, \$15 or \$10 gift certificate to your choice of Artscroll, ZBerman or DB Electronics. Raffle tickets are reset every week at 5 pm. To find out the number of tickets you've earned that week or to hear the latest raffle winners, simply press #7 on the Main Menu and then #6.

Meet the Maggid Shiur

Rav Fishel Schachter

Rav Fishel Schachter is an internationally recognized and prominent lecturer, master storyteller, and mechanech. He has an uncanny ability to present and convert complex and challenging topics into easily understood material, particularly so with children and adolescents.

In addition to his famous Dial-A-Daf and featured shiurim, Rabbi Schachter is a Chaver Vaad Hachinuch and Mashpia at Yeshiva Mevakshei HaShem in Brooklyn. He previously was an 8th grade Rabbi at Yeshiva Torah Vodaas for nearly 20 years.

Dear Parents,

As adults, we enjoy and appreciate the wealth of learning resources and shiurim we have easy access to at all times. Unfortunately, the options our children have to learn when not in school or with an available adult are very limited or many times nonexistent. We have made it our mission to create a forum that makes it easy and convenient for children to learn, review, and acquire Mishnayos. We hope that you are as excited about this as we are! As with all chinuch programs, your encouragement is essential to your child's success.

Rabbi Y. Kohn

The Mishna Rishona program was created with the approval of leading Mechanchim.

If you would like to sponsor a day of learning in honor of a yahrtzeit, or if you have any feedback or comments, please reach out to us at Pirchei@agudah.org. If you would like to contribute to our efforts in spreading this program and helping children excel in mastering Mishnayos, you can make a donation at agudah.org/pirchei or by sending a check to Pirchei National Office, 41 Brook Ave, Passaic, NJ 07055.
